

# JUNKYARD DRIVE

## *Sucker For Your Love*

(From Black Coffee)

### **[Verse 1]**

I know this pretty girl, and I can tell you all, that she's got soul  
She knows how to rock, and she surely knows how to roll  
Curly hair and a dirty smile, baby you look so damn fine  
My eyes are open wide, staring at you while you do your thing

### **[Chorus]**

Let me come and get you  
I'll make you satisfied  
Let me come and take you  
I'll be yours for the night

I want more of you, it's never enough  
I'm trying to hide it, but she's calling my bluff  
But I can't help it  
I'm just a sucker for your love

### **[Verse 2]**

I love the things you do, but mostly what you're doing to me  
Take my hand, get close to me, and I will never set you free  
All the girls are calling you skanky  
But my baby does the hanky panky!

### **[Chorus]**

Let me come and get you  
I'll make you satisfied  
Let me come and take you  
I'll be yours for the night

I want more of you, it's never enough  
I'm trying to hide it, but she's calling my bluff  
But I can't help it  
I'm just a sucker for your love

# JUNKYARD DRIVE

***[Post Chorus]***

What can I do

To blow you away

I need to know, how to make you stay

What can I do

What can I do

I want more of you, it's never enough

I'm trying to hide it, but she's calling my bluff

But I can't help it

I'm just a sucker for your love

I'm just a sucker for your love
